About TNDALU

Government of Tamil Nadu by an Act of State Legislature [Act No.43 of 1997] established the Tamil Nadu Dr. Ambedkar Law University for the advancement and dissemination of knowledge in learning, teaching and research in the field of law. His Excellency Shri. K.R. Narayanan, former President of India inaugurated it on September 20, 1997, and the University started from October 3, 1997 onwards. The University is recognized by the Bar Council of India (BCI) and University Grants Commission (UGC) (Sec. 2f and 12b of the UGC Act.). The University is also a member of the Association of Indian Universities (AIU), Association of Common Wealth Universities, U.K. and Indian Institute of Public Administration, New Delhi. This University is functioning as nodal agency to uplift the legal education in the State of Tamil Nadu. The University is the first full-fledged sui generis Law University in the country; it is unique among all the Law Universities in the Country. The University offers legal education at its campus as well as through sixteen affiliated colleges in the state of Tamil Nadu. The School of Excellence in Law established since 2002 and offers three year as well as five year integrated undergraduate courses in Law. The University has a Postgraduate and Research Centre, which offers Master of Law Degree Courses in eleven different specializations, doctoral Programme as well as organizing research in diverse areas of law. Apart from these, there is also a Distance Education Unit as well as a few evening college programmes for various Postgraduate Diploma Courses.

Theme of the Conference

Fiscal Federalism is coined by an American Economist Richard Musgrave in 1959, which deals with Public Finance discipline, division of Governmental functions and financial relations among the different levels of Governments. The design includes the various aspects of inter-governmental fiscal relations, expenditure and revenue assignment, inter-governmental transfers, tax administration, budgeting and financial management in multi level Government setting and the control of sub-national Government borrowing. Within the narrow economic context the design of these arrangements reflects a balance among the different objectives namely allocative efficiency, income distribution and macro economic management. But, over the past decades, issues like autocracy, disparities in the distribution of income, conflict of organs, problem in allocation of resources, etc. are faced by the Governments all over the world, imposes challenges to Constitutional assignments.

In this context, the two days International Conference titled “Harmonization of Financial Relations in Contemporary World”, offers a premier international forum for the presentation and sharing of new ideas, advances and researches in the fields of Economics, Commerce, Law, and other related disciplines. The Conference offers to bring together the leading academicians, industrialists, research scholars and regulating bodies to deliberate on conceptual, empirical work and policy implications related to harmonization of financial relations in contemporary world.

Sub Themes for Paper Presentation include, but not limited to:

- Foundation Conception of Financial Relations in National and International scenario.
- Impact of Commerce, Economics and Law as fields of knowledge in promoting financial harmony.
- Implication of GST on India's Fiscal Federalism.
