

Climate Change Litigation in Europe and Australia

Thursday, July 27, 2023

2-3 PM EDT

Join Chief of Foreign, Comparative and International Law Division II, Kelly Buchanan and Senior Foreign Law Specialist, Jenny Gesley as they discuss:

- The context for and types of climate change cases being litigated in Europe and Australia.
- Examples of major cases, including cases against corporations and governments. Similarities and differences between the jurisdictions will be highlighted.
